

Join us for our Outdoor Worship Services throughout the summer!

Throughout July and August, we will be having our outdoor services **on the grass outside the Encounter Centre, at 10:45am!** We are so excited to finally be meeting for worship in person once again and we do hope you'll be able to join us!

Just a few things you need to bear in mind please, to ensure we are all safe and happy:

Social distancing:

- The main restriction for outdoor services is that we are required to be in **Groups of up to 30**. This means that you should only mix within the group that you are part of on the day; we will make this clear. Even within your group, please maintain social distancing, other than with those who are in your household or bubble. Please be sensitive to the fact that other people may not yet be comfortable with hugging and handshakes and respect their decision.

Before you come

- If possible, please take a lateral flow covid test before coming to check that you don't have the virus, or any symptoms. If you do, please do not attend.
- Our service will include **communion**. For this, juice will be available in the plastic glasses - please serve yourself and your household only. **Please also bring your own bread.**
- The weather forecast is currently quite mixed. Please come prepared for wet weather.
- If you would like to be seated, please bring your own chairs or picnic rug.
- Car parking: please park in one of the shopping centre car parks and leave the Encounter Car Park free for anyone who is less mobile

During the service

- Singing is allowed! You will be handed leaflets with the words of the songs by our Welcome Team on arrival.
- If any member of your household needs the toilet during the service, they may use the Encounter Centre toilets. Please maintain good hygiene.

And if you can't be there

- If you can't make the service for any reason, we will be live streaming the service on Zoom (8182838500) and posting on social media afterwards as usual.

Other than that, we look forward to meeting God and each other in person for a great time of worship together - see you on Sunday!
